

Valentine Magic!

We want your Valentines!

Project Believe supports over 200 local youth who have been orphaned through mental, emotional, and behavioral challenges. Each year, we remind them they are loved and not alone by showering them with Valentines.

Get out your construction paper, scissors, glue, and glitter and get creative while you give back. Make a Valentine or make a dozen. Host a decorating party. Short on time and creativity? Pick up a box at the store and sign them. We need thousands of Valentines, so each one matters.

Hurry!

Drop off your Valentines by February 6th

—Exclusions—

Please

No glass, metal, string, sharp points/edges, or erasers.

In your greetings please avoid terms like 'Get Well Soon' and 'hospital'. Focus on positive messages!

Spread the word!
